

Autumn School - GAP in Algebraic Research

Jan de Beule
Sebastian Posur

Alexander Hulpke
Madeleine Whybrow
Sergio Siccha

Alexander Konovalov
Wilfred Wilson

19th - 22nd November 2018

1 Sessions

Each session will consist of roughly 3h 15min of lecture time and programming labs, with an additional 30 minute break in the middle. For addresses of and directions to the rooms see the map ((©OpenStreetMap) on page 2 and the section “Class Rooms”. You can reach all places from the bus stop “Driescher Gässchen” in a 10 minute walk.

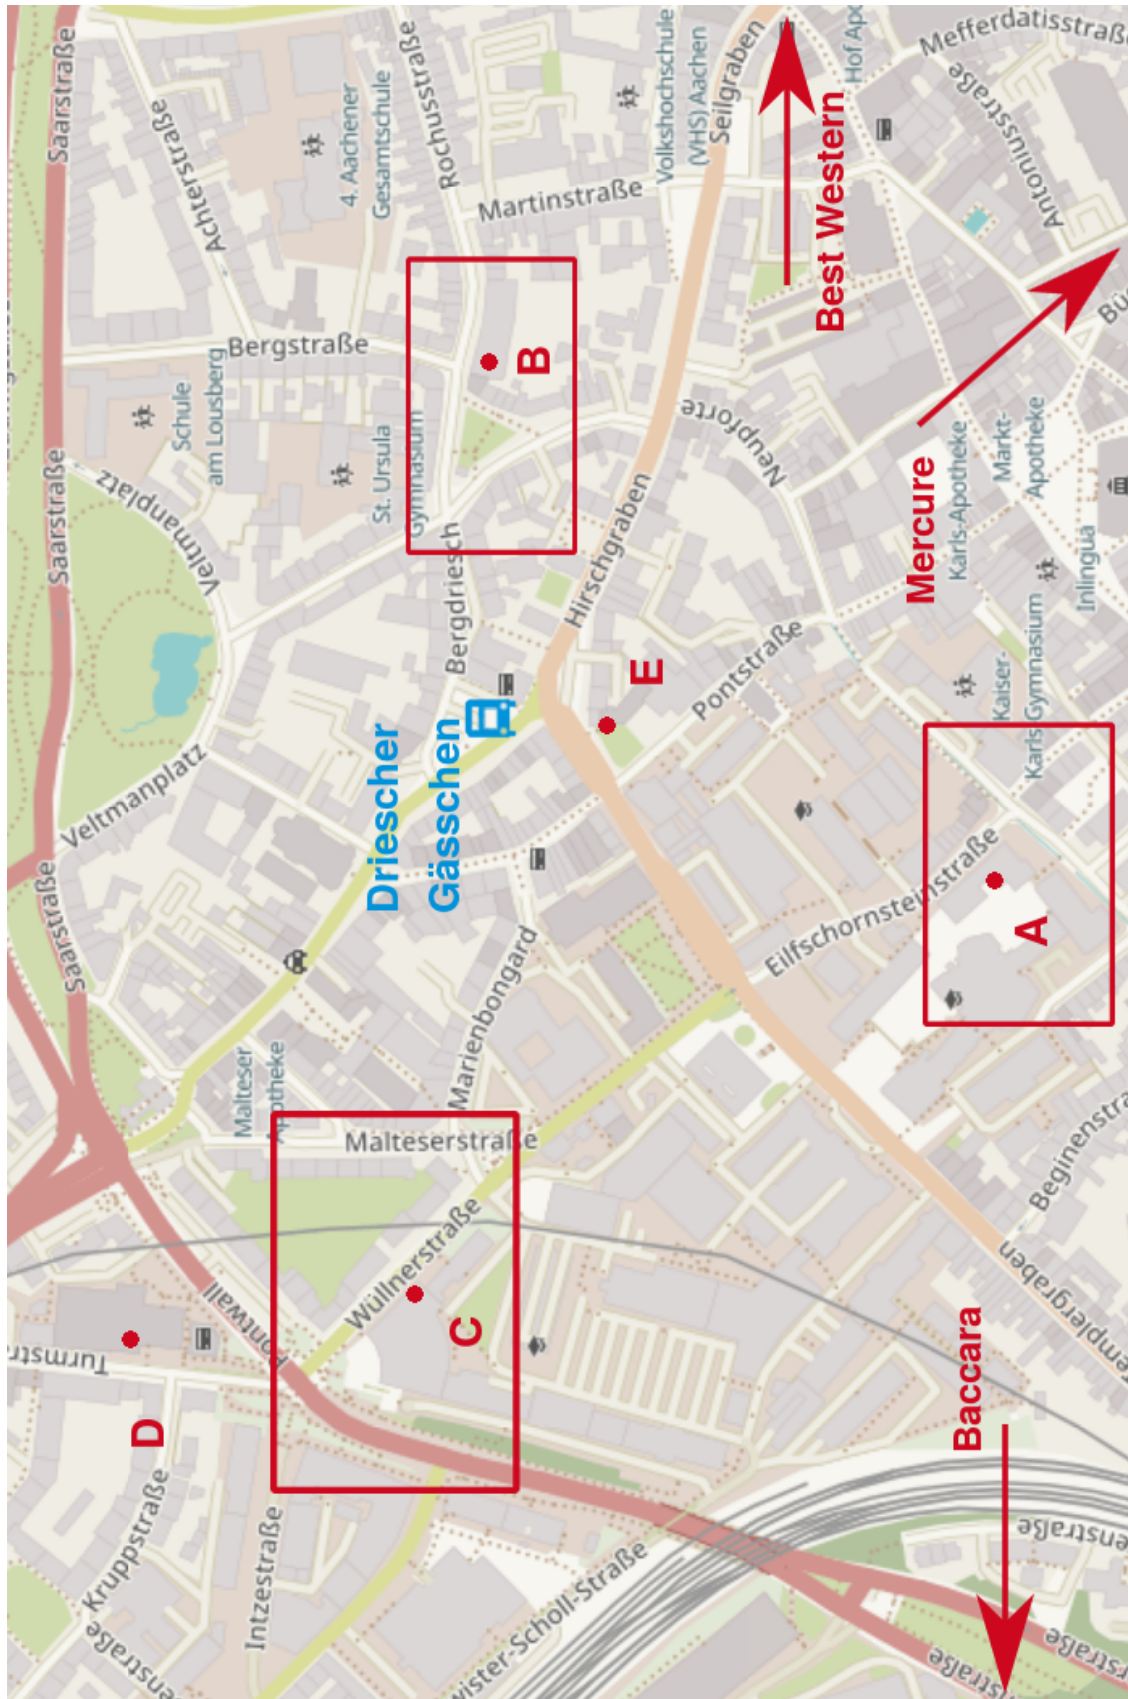

Timetable				
Time	19.11. Mo Room 004	20.11. Tu Room RS4	21.11. Wed Room Z3	22.11. Thu Room 004
9:15 – 10:45	–	The CAP Project Sebastian Posur	Homomorphisms in GAP Alexander Hulpke	–
11:15 – 13:00	10:15 – 13:00 GAP Tutorial Alexander Konovalov			10:15 – 14:00 Semigroups Wilf Wilson
13:00 – 14:00	Lunch	Lunch	Lunch	Lunch
14:00 – 15:30	GAP Tutorial Alexander Konovalov	Majorana Algebras Madeleine Whybrow	Finite Geometry Jan de Beule	–
16:00 – 17:45	–			

2 Lunch & Dinner

We will have lunch at the “Mensa Academica”, Pontwall 3 (map: D). On Tuesday at 19:30 there will be a conference dinner at Magellan, Pontstraße 78 (map: E). Please sign up for the dinner if you want to come.

3 Contact

We will use the framapad <https://annuel.framapad.org/p/gap2018rwth> to share links, snippets of code and to chat. You can use the mailing list to contact all participants of the school: gapschool18@mathb.rwth-aachen.de. You can contact the organizer via +49 157 8838 1627.

A) Room 004 B) Room RS4 C) Room Z3 D) Mensa Academica E) Magellan

4 Class Rooms

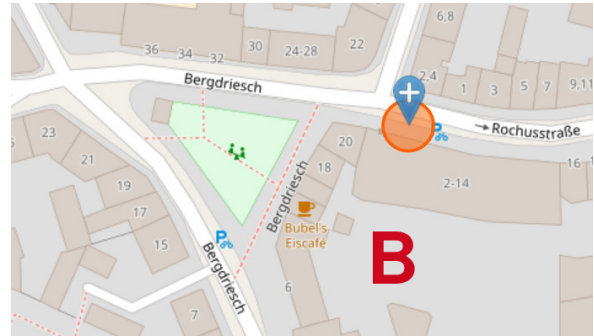

A) Room 004, Eilfschornsteinstraße 7

The class room is located on the ground floor in the "Institut für Soziologie". See the map below for the entrance.

B) Room RS4, Rochusstraße 2-14

The class room is located to your left on the ground floor. See the map below for the entrance.

C) Room Z3, Wüllnerstraße 9, "Audimax"

The Audimax has several entrances. See the map below for the one that is closest to the Z3. When entering the building through that entrance you see a small coffee shop called Coffeelution. Take the stairs to your right and go up 3 floors. On your right side you will see the entrance to the "Grosser Hörsaal". The entrance to the staircase leading to room Z3 is right next to that one. See the "small" arrow below.
